ABOUT...

- Tim (aka Cooper Alan) was born and raised in Winston-Salem, NC. His parents grew up there as well, and they decided they wanted to raise their kids in Winston. Although Cooper now lives in Nashville, his entire family remains in Winston-Salem, including his two brothers. He admits that if he weren't doing music, he would still be living there because he loves the community so much. Growing up, Cooper always loved music and sports. He started his first band in 8th grade and they played together through high school and even college at UNC-Chapel Hill. From the beginning, Cooper explains he had a strong support system with his family, who always encouraged his musical aspirations.
- He first discovered his love for country and rock music in 8th grade shortly after seeing Kid Rock in concert. He had never seen someone perform with such energy and authenticity. Cooper looked at his parents and told them, "That's what I want to do. I want to make people feel like that every night." Fast forward to present day – and Cooper has brought his childhood goal to fruition, thanks to TikTok.
- Since Cooper joined TikTok a year and a half ago, he has managed to accumulate more than a million monthly listeners across all platforms and has generated 50 million+ streams. Not only has Cooper sold out countless shows with his TikTok following eating up the tickets, but he has opened for several major artists – Travis Tritt, Better Than Ezra, Walker Hayes, Chris Janson, Eli Young Band and more. Cooper also recently released a music video for his song, "Small Town Celebrities," which features country music superstar, Colt Ford. Cooper currently has 233K YouTube subscribers and has generated 27 million video views on the platform.
- With nearly 6 millions followers on TikTok, Cooper is showing no signs of slowing down. He has built a successful career path for himself and is now teetering on the edge of country music success. With a little more backing, he knows he can launch into another stratosphere in the industry... and this opportunity might not be too far out of reach.
